- * Do you want to improve your overall performance during games?
- * Have you had a summer of lying on the beach with little training?
- * Do you have long term injuries that simply won't go away?

"The Football Physio" can help!

Mike Blackwell is a physiotherapist who focuses on the treatment of football (soccer) injuries and has worked at the English Premier League Soccer team, Birmingham City. In his spare time, Mike is a keen supporter of Liverpool Football Club.
